

**CRN: 10553**  
**ABT 289A, 3 units**

**D-Lab, Winter, 2023: Sustainable Living/Learning Community (SLLC) – Focused on Feasibility Studies at the Domes and adjacent sites, West Campus**

Students from ALL disciplines welcome!  
Upper division Undergrads and Graduate students welcome!  
No prerequisites!

Project teams will explore the feasibility of 3 projects:

**ADA Accessible path and Outdoor Classroom/  
Technology showcase in a Pilot Hut**

**Visions for 'Domes 2.0'**

Housing for an additional 30...  
What do they look like?  
What technology is imperative?

**Common House/  
Community Kitchen  
at the Domes**

What are the must-have elements?  
What does it look like?
